

Town of Springfield, NH
Recreation & Culture Committee Meeting Minutes
October 12, 2006

Attendees: Donna Tibbetts, Tucker Tibbetts, Leslee Swett, Dawn Stanhope, and Tony Stanhope

Old Business

We are in the final planning stages of the Halloween Party, to be held at the Springfield Town Meeting House on October 29, 2006 at 2 PM. Darren Patten has kindly offered his wagon full of hay for some bumpy rides, which are sure to be a hit with young & old alike. We have treat bags that will be stuffed with an assortment of markers, crayons and candy. Thank you to all of you who volunteered to bring food and beverage. To those of you who volunteered to help organize before the party, please plan to be at the Town Meeting House at 1:30 PM on the day of the event. Thank you!

Friday, October 27th, will be teen pizza/prep night at Donna Tibbett's house. Tying donuts to strings and blowing up balloons with tootsie rolls inside them are just a few of the preparations needed for the Halloween party. Springfield teens are invited to have pizza AND will be REWARDED with a gift certificate to Borders for their efforts and commitment to their community!

New Business

You will notice a new name in our "attendees" list above. We are very fortunate to have Tucker Tibbetts as our newest committee member, representing, along with Tony Stanhope, the teens of Springfield. Tony and Tucker are planning a teen Halloween Party for Saturday, October 28th. They have a million great ideas and are enthusiastic about making this an awesome event. For more information about the event, please send an email to springfieldrec@gmail.com. Do you have a teen in your home that would like to be a member of the committee or simply attend a meeting to share ideas? All are welcome!

Our next meeting will be held at the town office on Thursday, November 2nd at 6:30 PM.

Respectfully submitted,

Leslee Swett
