CONSERVATION COMMISSION

Minutes of the special meeting of March 11, 2007

The meeting of the Community Outreach Committee of the Conservation was called to order at 9:35 am.

Members present were: Cynthia Bruss, Todd Richardson, Daphne Klein, Ken Downs

Proposed Press Release: The committee prepared a draft of a press release explaining the purpose of the Wetlands/Natural Resources Inventory and soliciting community input. This press release will be given to local newspapers if Warrant Article 9 is approved at Town Meeting. Todd will bring the draft to the next meeting of the full Conservation Commission for approval before it is distributed.

It was also agreed that a large map of the town should be brought to Town Meeting so that people could write in special places they feel should be identified in the WNRI. Following Town Meeting, this map could be placed in the library for additional input from townspeople.

The meeting was adjourned at 10:50 am.

Respectfully Submitted,

Daphne Klein
