

Planning Board

June 19, 2008

Memorial Building

7:00PM

These minutes are considered a draft until they are approved by the Board at the next meeting.

Present: Kevin Lee, Ken Jacques, Darrin Patten, Peter Keene

Minutes: Ken made a motion to accept the minutes of the May 15, 2008 meeting, 2nd by Darrin all in favor.

Literature and Correspondence: There was a request from Russell Putnam that he be allowed to reduce the frequency of snow plowing at the cell tower on Deer Hill. The Board noted that the Site Plan had requirements for plowing and that more than an e-mail would be needed in order for them to consider this.

Driveway Permits: None

UVLSRPC- Vickie Davis worked with the Board to continue their review of the Subdivision Regulations. The Board wants Ross Stevens to review appendix F to see if it can be "paired down".

Miscellaneous Business: Janet Roberts was at the meeting explaining to the Board that the Town would need to adopt a floodplain ordinance. This came out of the Hazard Mitigation meetings and would allow certain homeowners to get Federal flood insurance and for the Town to get Federal aid for certain disasters.

Kevin attended the annual meeting of the UVLSRPC.

The Board needs to look for alternates.

The meeting was adjourned at 9:00 pm.

Respectfully Submitted,

Linda Huntoon, Recording Secretary
