CONSERVATION COMMISSION

Minutes of the meeting of June 18, 2009

Note: These minutes are to be considered draft minutes only until approved by the Commission.

The meeting was called to order at 7:04 p.m. by Cynthia Bruss.

Members present were: Cynthia Bruss, Daphne Klein, Todd Richardson, Jane Seekamp, Bob Ruel. Absent: John Tracy, Ken Jacques.

The purpose of this special meeting was to discuss plans for Old Home Day.

Bob Ruel suggested that the CC distribute compact fluorescent light bulbs along with information about how they should be recycled. No motion was put forward because, after some discussion, the members present felt that Old Home Day would not be the best occasion for such an activity. Bob will bring some information on compact fluorescents to Old Home Day to be given away to anyone interested.

A 10' by 10' tent is available for the CC to use for a booth. If space is available in the town hall, the CC would like to put up some maps there and perhaps run a slide show with information from the town's wildlife inventory.

The following assignment were agreed to:

Cynthia will be in charge of the seedling distribution.

Daphne will create a wildlife and/or plant ID activity.

Bob will be in charge of putting up the tent, which Daphne will get to him in advance.

Jane will be available to cover the booth in the morning.

The meeting was adjourned at 7:30 p.m.

Respectfully submitted,

Daphne Klein

Secretary
