November 5, 2008

## Memorial Building

7:00 P.M.

*These minutes are considered a draft only until they are approved by the Board at their next meeting.*

**Present:** Cynthia Hayes, Bill Sullivan, Gene Hayes, Barbara Dunlap

**Minutes:** Cynthia made a motion to accept the minutes from the meeting of September 2, 2008, Gene and Barb voted in favor, Bill abstained as he did not attend that meeting.

**Miscellaneous Business:** Cynthia received an official notice of resignation from Doug George. The Board expressed their appreciation for Doug's efforts while he was on the Board and accept his resignation with regret.

Cynthia wanted to know what had happened with the Miller plans. She thought Mr. Vose was supposed to file his plans at the Registry of Deeds. The registry would not take the plans as they did not meet statutory requirements. Cynthia understood that the plan needed different ink and a Surveyor's stamp. She believes that the plans have now been filed in a different manner. The Board would like to meet with the Selectman about this matter.

Cynthia brought in guides newly put out by the Sunapee Area Watershed Coalition on Erosion Control and Storm Water Management. Cynthia is a member of SAWC. They are hoping that the town will adopt the storm water management plan.

John Trachy presented a brief slideshow on the new State Comprehensive Shoreline Protection Act.

The Board reviewed their amended Rules of Procedure. Bill made a motion to accept the new Rules of Procedure, as amended, 2<sup>nd</sup> by Gene, all in favor

The meeting adjourned at 8:45pm

Respectfully Submitted,

Linda Huntoon, Recording Secretary
